Four May File For Lincoln-Way Board

Four petitions have been taken out by probable candidates for the three places to be filled in the coming Lincoln-Way High School board election, slated for April 12.

First day of filing nominating petition is today (Feb. 26) and the last date for filing is March 21.

None of the three incumbents on the Lincoln-Way board whose terms expire this spring will seek reelection. Elias Brown of Mokena, is finishing up nine years of service on the board, and Wendell Morrison, of Frankfort, and Earl Moss, board president, of New Lenox, who have each served two terms, say such service is long enough.

Nominating petitions are

obtained and filed at the Lincoln-Way school office.

The four persons -- all men by the way -- who have taken out petitions are, Dr. Robert Keener, Frankfort, and is in the Hedges Clinic there; R.G. Holleman, Mokena, who has a doctor of philosophy degree in chemistry and is employed by Swift; Daniel Mathews, of New Lenox, a sales representative for NI-Gas Co., and Guy Haseltine, who resides in Lincolnwood and is a physical education teacher at Lockport West High School.

The other members of the board whose terms continue are Mrs. Beatrice Link, Lincoln Estates, Durward Fant, Mokena, Joseph Gregg, Manhattan, and Dr. Lowell M. Webb, New Lenox.

Eagles Beat Knights In Cage Tilt, 59-49

When Lincoln-Way and Sandburg High School meet in sport events it is difficult to pick a winner -- except in football. The Eagles have dominated the SWS Conference on the gridiron for many years while Lincoln-Way's football teams just haven't hit.

Lincoln-Way hasn't set the league on fire this year in basketball but it has made a very respectable showing and a win this Friday over Oak Lawn would put the

Knights in the runner-up spot.

On the other hand the Sandburg five has been able to win for losing most of the season and anyone guided by past performances would have made Lincoln-Way the odds on choice against the Eagles last Friday night. Which brings this back to the beginning -- when Sandburg and Lincoln-Way meet you just don't know how it is going to come out.

The Eagles beat the

Knights soundly, 59 to 49. Lincoln-Way scored the first point, a free throw, and so took the lead, 1 to 0. But they quickly lost it and never regained it.

The Knights' sharpshooters were off and just couldn't get on target. When the first quarter ended the Eagles led 13 to 9, and 29 to 24 at the half. That wasn't an unsurmountable lead but the Lincoln-Ways shot even more poorly in the third frame than in the first. In the third quarter the Knights only counted seven points while Sandburg scored 13. It was only in the last period that the Knights displayed some of their form and outscored the host team 18 to 17.

Top scorer for the evening was Mike Sloan of the Eagles with 17 points.

Homewood - Flossmoor is the easy winner of the conference basketball title.

Voters Ballot Saturday On L-W Bond Referendum

The polls for the Lincoln-Way High School referendum this Saturday, March 1, will open at noon and close at 7 p.m.

There are two questions on the ballot. One is to authorize an addition to the present school plant and the issuance of \$1,500,000 in bonds to meet the costs. The other proposal is for a 21-cent increase in the Educational Fund tax rate. The present rate is \$1.11 and if the increase is approved it will go to \$1.28 per \$100 or equalized assessed valuation.

The Educational Fund is used to pay teachers' salaries and purchase the

supplies and materials necessary to operate the school. The big item, of course, is the money needed to pay the teachers and the other staff employed in the school.

The salary question has been a problem for years in practically all schools. Salaries have been increasing. Pressure by the teaching groups is responsible for some of this but the teacher shortage is also a cause. With teachers in short supply for many years a competitive market has developed. School officials from distant states have come to Illinois in quest of teachers and to get them they

frequently bid up salaries.

Illinois schools, of course, had to enter into the bidding if they wanted to get teachers under contract. Districts unable to compete for teachers are at a disadvantage, it was pointed out.

Lincoln-Way has been fortunate in that it has been able to make satisfactory offers but the revenues just aren't keeping up with the demands, it was pointed out and more money is needed, the board's study shows.

The polls to be used Saturday are the same as those used in all school elections in District 210.

Precinct No. 1, Frankfort School, Oregon St.

Precinct No. 2, Carpenter Street School, Mokena.

Precinct No. 3, Ann Rutledge School, Lincoln Estates.

Precinct No. 4, Haven School (Haven & Cedar) New Lenox.

Precinct No. 5, Manhattan Public School.

Precinct No. 6, Arbury Hills School.

The addition proposed for Lincoln-Way would be used to house freshmen classes and it was hoped it could be ready for the 1970-71 school year. The present building is getting crowded, it was pointed out, and expansion is necessary, a board spokesman said. The addition would contain 18 classrooms besides other facilities, including a heating plant.

It was decided to add to the present school plant than to utilize the site at Frankfort. It would cost far less to put up the addition, it was pointed out, because so many departments now functioning could be used by the new pupils. If an entirely new school were built, it was explained, it would have to contain all the facilities that are at Lincoln-Way. And on top of that an entirely new faculty would have to be employed. The Lincoln-Way district just doesn't have that kind of money at this time, the spokesman said.

It will be necessary to hire some more teachers at Lincoln-Way the next school year, it was said, because of the increasing enrollment but that is not like hiring a complete new staff.

The total amount of taxes extendible under the present Educational Fund rate is approximately \$760,749.21; under the proposed new rate the amount would be approximately \$910,055.13.

Lutheran Ladies Aid Has 50th Birthday

On Sunday March 2, the Ladies Aid Society of Immanuel Lutheran Church, Mokena, will observe the 50th anniversary of its founding in a special service of praise and thanksgiving. The service will be at 3 o'clock in the afternoon.

The pastor of the congregation, the Rev. E. H. Albers, will bring a special message on the theme "Fruitful Service to Christ". The Ladies Choir of the congregation will sing, and Mrs. Byron (Mabel) Nelson, who has served the congregation as organist for almost 50 years will preside at the organ.

As a gift of gratitude to God and as an expression of its service to the congregation the Ladies Society is presenting the congregation with a new pulpit Bible. The presentation will be made by Mrs. Esther Oesterreich, Mokena, president of the society. Raymond Bernard,

president of the congregation, will receive the gift on behalf of the congregation.

The Ladies Aid Society was organized on March 2, 1919 under the leadership of the Rev. Walter Kemnitz who in October, 1918 had become the congregation's first resident pastor since 1865. Eleven women formed the charter group of the organization. Two of these charter members are expected to be present at the service, Mrs. Walter (Julia) Kemnitz, Frankfort, widow of the pastor who organized the society, and Mrs. Ida Yunker, Mokena. These two, together with Mrs. George (Bertha) Abbe, Mokena, are honorary members of the society.

The Ladies Aid societies of the Lutheran congregations in the surrounding areas have been invited to join the society in the special service.

Joint Return Offers Advantages

Editor's note: It is time to think about the income tax again. This is Chapter Three of a series reviewing the regulations, with emphasis on taking advantage of all exclusions and deductions legally due you.

By Ray De Crane

Almost invariably, married persons will save tax dollars by filing a joint return.

But since there are exceptions to this general rule, these special circumstances should be considered before the final election is made.

Separate returns oftentimes will offer a savings for married taxpayers if:

* One of the spouses who had taxable income also had unusually high medical expenses.

* Each had capital losses of more than \$1,000 in 1968 from the sale of unprofitable investments.

* They are residents of one of the community property states. Illinois is not one.
